

## DUNGEONS & DRAGONS

### LIVING FORGOTTEN REALMS

(character name)

#### NEVE5~1 HOUND'S BAYING

##### NEVE01 Saving Mayara

You rescued Mayara Sulbrandil from the clutches of Neverwinter Ashmadai. Unfortunately, she has been marked with a brand of Asmodeus of unknown origin, and is facing murder charges. Mayara is currently in the custody of Merrisara Winterwhite. There's more to this story; hopefully, working with Lady Winterwhite will reveal the truth.

This Story Award is the beginning of the *Devil's Play* Major Quest. The quest continues in NEVE4-2 *Serpent's Kiss* and concludes in NEVE4-3 *Spider's Web*.

##### NEVE02 Elves Never Forsake

You have earned the friendship of the elven twin sisters Sylvara and Ayala. They're mercenaries, troublemakers, and fixers in Neverwinter. Perhaps you'll see them again.

This Story Award is equivalent to ADAP15 *Elves Never Forget*, and fulfills any requirement that ADAP15 would fulfill.

##### NEVE03 In Service of the City

You worked with Teliann, one of the aides to Lord Dagult Neverember. If you are a resident of Neverwinter or Waterdeep, this Story Award grants you permission to join the Protectors of Neverwinter meta-organization.

If you are not from Neverwinter or Waterdeep, or if you elect not to join, then this Story Award instead counts as a favor with the Protectors of Neverwinter.

##### NEVE04 Truth and Justice

Your cooperation with Lady Winterwhite has earned you her respect. She, or her allies in Ilyanbruen, will share some of her resources with you when you are ready.

You may cash in this favor to get a single scroll of Mark of Justice (a 12<sup>th</sup> level ritual from *Divine Power*) for free. You must be at least 12<sup>th</sup> level to use this favor. You can use the scroll to cast the ritual one time, or to learn the ritual by scribing it into your own ritual book (if you are a ritual caster). Cross off this paragraph when you use this favor.

Furthermore, this Story Award grants you access to purchase one *ring of uncanny judgment* (Uncommon, *Dragon* 381) through Lady Winterwhite and her allies. You must be at least 13<sup>th</sup> level and must pay 10,000 gp (instead of the usual 17,000 gp market price) but do not need to spend a found-item slot. Cross out this paragraph when you use this favor.
